

DUBLIN

This classic style table adds a different look for those seeking something a little more timeless. The Dublin offers straight body panels that are dadoed into the legs for extra strength, and the legs run full length to support the playing surface. Available in 8' and 9' models.

ESSEX

The Essex is a smaller, lighter version of the other Old World tables. Built to the same demanding standards, we have put all of our knowledge into a smaller package. Choose from the Queen Anne, Ram's Horn, or Ball & Claw leg style. Available in 6', 7', and 8' models.
